

The professional's choice.

KwikSeal

America's #1 selling saddle tee.

Dawn Industries developed and patented a SUPERIOR saddle tee for polyethylene pipe which eliminates the hassles and problems associated with insert fittings as well as conventional saddle tees.

- No Inserts to muscle or pound
- Faster and easier to install
- Less digging, no loose parts
- 0% flow obstruction
- Superior to flow limiting saddles
- T-Bolt & Nut made out of glass reinforced nylon
- No clamps to rust or corrode
- Molded barb seal superior to gaskets/o-rings
- Lowest profile saddle tee

Withstands over 400 PSI WITHOUT LEAKING.

2 1/2" length protects seal area if pipe is kinked or damaged near saddle tee

Available sizes:

3/4", 1" & 1 1/4" with either 1/2" or 3/4" FPT outlets

Accessories: coring tool and nut driver
