

The professional's choice.

The Original
KwikCut™

The plastic pipe and hose cutter designed to meet the needs of the professional.

KwikCut produces no shavings or cutting residue. Eliminates deburring and the possibility of contaminating the pipe. This clean, smooth cut allows quick and easy connections for a professional installation.

KwikCut Features Include:

- Replaceable high-carbon PTFE coated steel blade or high carbon stainless steel blade
- Blade closes into its own handle for safe carrying and handling
- Tough, durable nylon handles
- Leather tool pouch available

Five Models Available:

- T100/SS: Cuts P.E., Rubber Hose & PVC (Class & Schedule 40) through 1"
T135/SS: Cuts P.E. and Rubber Hose through 1 1/2", Class PVC through 1 1/4"
SS200: Cuts Rubber Hose through 2", P.E. through 1 1/2", Class PVC through 1 1/4"
