

## Filtoclear pressure filter range

**Filtoclear with Clear Water Guarantee\***

- Innovative, effective pressure filter range with integrated UVC clarifier.
- Particularly user friendly through »Easy-Clean-Technology«, that enables simple filter cleaning.
- Sealed container – thus the filter can be almost completely buried in the ground and can supply higher-elevation watercourses.
- Polluted water is pumped into a sealed, enclosed system, where a working pressure of 16 ft. of head can be built up.
